...

"Etudes Electric" was composed in response to a need for original electric guitar literature. Selections from this volume may be performed in an applied music jury or recital in a university guitar program. The etudes are motivically intertwined and make a complete composition when performed in order.

Sheet music: 35 Etudes For Guitar (Guitar)

The etudes present a variety of material and are generally about 3 pages in length. This collection comes from the library of an accomplished guitarist and has been used. It is in "very good" condition overall with very minor signs of age. The cover color is good and the edges are pretty sharp still. The outside corners are a little stubbed on the front; the back corners are good.
