### Flying Colors True Colors English

"With flying colours" is a popular idiom of the English language that is used to describe how well someone has completed a task. For example, a common use of the phrase is to refer to someone having passed a test or other examination "with flying colors," i.e. passed the test easily or with an exceptionally high score. The phrase originated in the Age of Discovery, when ships would return to port with their flags either raised or lowered to signify that the ship had either been successful or def
