We carry all ranges of wall mounted single split type air-conditioners, split ducted central air-conditioners, and package air-conditioners.

DeeSonii's - Guam's One Stop Air Conditioner Shop - Home

For a split system with remote control or wired control, always use the remote control or the wired panel to start or stop the air conditioner instead of turning on/off using the power supply switch to the air conditioner. This will help to preserve the life-cycle operation of the switch. Related Links.

Air Conditioner Maintenance Guide

Split air conditioners are a common type of cooling system well-known for their compact, ductless format. The inner unit looks like a long rectangle that's built into a wall of your home, while the outdoor unit, known as a condenser or compressor, looks like a large metal box.
