In *The Slumbering Volcano*, Maggie Montesinos Sale investigates depictions of nineteenth-century slave ship revolts to explore the notion of rebellion in formulations of United States national identity. Analyzing how such revolts inspired citizens to debate whether political theory directed at free men could be extended toward blacks, Sale compares the reception of fictionalized versions of ship ...

Seeing The Birth Of The Earth (4K) • Volcanic Eruption

The Jemez Super Volcano just west of Santa Fe lies a huge slumbering volcano that created a stunning landscape after its last eruption a million years ago. Crowned by a vast caldera (crater) and beautiful mesas formed with sculpted ash that today hold beautiful ruins of early Pueblo culture, and the legacy of the Manhattan Project at Los Alamos.

Day trips tours around Santa Fe

An independence referendum was held in Liberia on 27 October 1846. The result was 52% in favour, with independence being declared on 26 July 1847. The American Colonization Society (ACS) had established the colony of Liberia in 1817, with an appointed governor. The British did not acknowledge Liberian customs as the colony was not independent, and during the mid-19th century there were ...
