### **Akai S950 review | MusicRadar**

The Akai S950, one of the most famous samplers from the 80s, is largely praised for its legendary sound. Many consider the 12-bit grit and crunch still unmatched today. But the 12-bit resolution is not all. For over a year, we studied every bit of this studio gear masterpiece to bring back its unique character to your modern DAW with the RX950.
