Irreverent, tolerant, boozy, diverse, sport-obsessed, lucky — discover the 11 qualities that make Australian culture tick.

11 Things You Should Know About Australian Culture

The ascendance of Australian popular culture. The end of World War II marked the emergence of an increasingly distinctive Australian popular culture. The arrival and presence of over 100,000 U.S. troops in Australia from 1941 had a substantial impact on postwar culture and society. The American alliance with Australia during the war forged close ties between the two countries, and Australia came to depend on the United States for military support as well as economic growth.
