Cambridge Studies in Contentious Politics breaks apart the narrow disciplinary and subfield boundaries that have fragmented the study of both traditional social movements and their non-routine politics. The exploration of noninstitutionalized political actions, including revolutions, democratization, cycles of protest, and ethnic conflicts,

Contentious politics is the use of disruptive techniques to make a political point, or to change government policy. Examples of such techniques are actions that disturb the normal activities of society such as demonstrations, general strike action, riot, terrorism, civil disobedience, and even revolution or
