Elna stella air electronic sewing machine manual by ...
And, to make sewing fun, the machines need to be: easy to use, versatile and modern. As a result, elna was the first to introduce special features like lightweight machines, free-arm, electrical automatic needle threader, heirloom stitches, expandability of stitch packages through the invention of interchangeable cams, cartridges, PRO Cards and EnVision Cards. In addition, Elna has always been famous for the quality of our stitches and the design of our machines. More
