Guided Reading and Review Workbook - Studylib

As most teachers know, Guided Reading is meant to be conducted on student's instructional level. I really like the articles in this book, but with a range of 3rd-6th grade, it's really hard to target specific readers and their specific levels to give them the guided instruction they need at the appropriate level for them.

Guided reading is one component of the shared reading block during which the teacher provides support for small, flexible groups of beginning readers. The teacher helps students learn to use reading strategies, such as context clues, letter and sound knowledge, and syntax or word structure, as they read a text or book that is unfamiliar to them.
