Hard Choices Challenging The Singapore

"In a brilliant new book about their country, *Hard Choices: Challenging the Singapore Consensus*, Donald Low and Sudhir Vadaketh dare something few Singaporeans attempt: they question this orthodox view of Singapore and ask how fit for the future their country is.

Hard Choices: Challenging the Singapore Consensus - NUS Press

Hard Choices is a collection of essays that examines Singapore's socioeconomic status and policies. Its central argument is that Singapore should ditch her aversion to social welfare, and offer more redistributive policies in light of the widening income inequality and aging population. The first few essays were a major turn-off.

Hard Choices: Challenging the Singapore Consensus on JSTOR

The biggest strength of *Hard Choices* is the diplomatically critical tone throughout the writing. The style is moderate and objective without being too inaccessible to the general reader with an interest in Singapore's politics and/or policies.

Hard Choices: Challenging the Singapore Consensus ...

Most importantly, we want to stress that there are no right answers, only hard choices. The higher purpose of the book is to stimulate and inspire ordinary Singaporeans to challenge and question long-held orthodoxies, in the belief that it is the distributed intelligence of Singaporeans—rather than the wise words of a few elites—that will lead to better policies, and ultimately greater prosperity and happiness.
