The same is, alas, all too true of many history essays. But if you've written a good opening section, in which you've divided the overall question into separate and manageable areas, your essay will not be muddled; it will be coherent. It should be obvious, from your middle paragraphs, what question you are answering.

### **The Essay: History and Definition**

In a nutshell, historiography is the history of history. Rather than subjecting actual events - say, Hitler's annexation of Austria - to historical analysis, the subject of historiography is the history of the history of the event: the way it has been written, the sometimes conflicting objectives pursued by those writing on it over time, and the way in which such factors shape our ...
