In the Company of Bears. I am not sure I know how to express this. Okay, imagine you can visit an alien society, a society so alien that you have no common language, or passions, or much of anything else. The alien society's events are fascinating to the degree that they are distant from your own life and its concerns.

Bears, like other animals, may symbolize nations. In 1911, the British satirical magazine Punch published a cartoon about the Anglo-Russian Entente by Leonard Raven-Hill in which the British lion watches as the Russian bear sits on the tail of the Persian cat. The Russian Bear has been a common national personification for Russia from the 16th century onward.
