Inspiration In Photography Brooke Shaden

Brooke Shaden is such an inspiring photographer, and her work blows my mind. I don't go a day without hearing fine art photographers mention her name. I didn't know about her before this book, but was interested in fine-art - this book has made such a difference to my own photography; its dark and beautiful and inspiring.

Embodying both rapture and horror, Shaden blurs the line between fantasy and reality, tapping into the universality of our primal fears and dreams. From death and rebirth to beauty and decay, Shaden's debut art catalogue, *Reflection*, takes readers beyond the realm of belief to the outer limits of imagination. As a photographer it's possible to train your mind to see inspiration in any situation, and this book will show you how.
