Setting tile in a swimming pool or fountain is among the more challenging projects for any tile contractor. Creating a durable submerged installation takes extra planning

Installing Tile in Pools and Fountains

Swimming Pools and Fountains The use of swimming pools, fountains and water tanks can be traced back to the ancient world. The Great Bath at Mohenjo-daro (in the south of what is now Pakistan) may well be the earliest example of a swimming pool in the world. This pool is approximately 40' (12 m) long and 23' (7 m) wide with a maximum
